ANNUAL SECURITY REPORT NOTIFICATION

This is an annual notification to inform you that the Campus Security Act Disclosure is available at this direct link: <http://chac.edu>.

This report is mandated by federal law and contains policy statement and crime statistics for CHAC. The policy statements address CHAC's policy and procedures concerning safety and security. Statistics for the past three years are included for certain types of crimes that were reported to have occurred on campus, in or on off-campus buildings or property owned or controlled by the school and on public property within or immediately adjacent to the campus.

Upon request, a paper copy of the annual security report will be given to you. Your request does not have to be in writing nor does CHAC charge you for requesting the information.

We encourage all students to be informed regarding safety.
